EDITOR'S NOTE

To Our Rotaract Family,

As we move into another quarter of purposeful service, our collective journey continues to gain momentum. Quarter 2 reflects what happens when ideas meet action—transforming intent into impact across our Yelahanka community.

Each initiative this season carried the spirit of Service Above Self, powered by teamwork, empathy, and dedication. From meaningful outreach to moments of fellowship, every effort strengthened our bond and amplified our reach.

Within these pages, you'll find the stories, faces, and projects that shaped this quarter—milestones that inspire us to aim higher and serve better in the days ahead.

We extend our heartfelt thanks to our Rotarian sponsors, faculty advisors, and the community for their constant support. Together, we continue to scale our efforts and lead with heart and hands.

Yours in Rotaraction,

WORD FROM MISS. PRESIDENT

DEAR ROTARACTORS,

As we look back on the past few months, I feel nothing but pride and gratitude for my team and every member of the Rotaract Club of BMS Yelahanka. Quarter 2 wasn't just busy, it was packed with effort, teamwork, and countless small moments that made everything worthwhile.

We kicked off October with STEMpire, introducing students to AI and digital literacy, followed it up with a heartfelt initiative, Belaku and Har Dil Mein Deep, celebrated at our adopted village, Chikkannahosahalli, balancing innovation with compassion. The energy at Dandiya Night, the awareness created through The Vigilance Walkathon, and "Shalanka – Satya Jayate" showed the power of coming together with purpose.

Our service initiatives made a real difference. The Blood Donation Drive, Padho Bharat Book Donation Drive, and Tree Geo-tagging weren't just events, They were impact in action. Seeing 400 units of blood collected, 800 books donated, and 500+ trees mapped showed what teamwork can truly achieve. Dreams of Hopes highlighted how a little guidance can change someone's direction. And Food For Thought, four amazing days of fundraising. Cooking Without Smoke and "We See You", we strengthened our bond as a team.

December beautifully blended fellowship and service. Hosting Sanchara to Namma Bengaluru 3192 Incoming Multi-District R.I.D.E was a beautiful experience, strangers turned into friends, and bonds were built beyond boundaries. The Pulse Polio Immunisation Drive, Walk for the Lake Campaign, and Share the Warmth Initiative reinforced our commitment to public health and environmental awareness. And of course, Rota Hikes 5.0 was all about good vibes, loud laughs, and memories we're still not over.

What makes these achievements truly meaningful is not just the numbers, but the spirit behind them, the early mornings, the teamwork, the creativity, and the compassion that each one of you brings.

Thank you so much for being the heart and strength of this journey.Let's carry this momentum forward with the same enthusiasm, kindness, and dedication. Together, we're not just creating projects, we're creating impact, memories, and a legacy of service we'll always be proud of.

Yours in service,

Green Circle Tree Geo-tagging

On 11 October 2025, the Rotaract Club of BMS Yelahanka, in collaboration with Green Circle, conducted a Geo-Tagging Initiative at BMS Institute of Technology and Management. The activity was held at People's Trust under the guidance of Prof. Tejaswini.

The program began with an address by Dr. Sanjay H. A., Principal of BMSIT&M, emphasizing environmental responsibility and the role of youth in sustainability.

A total of 37 volunteers, divided into nine teams, geo-tagged nearly ten trees per team using mobile applications to digitally map and document tree details through QR scanning.

Participants also explored the eco-friendly infrastructure at People's Trust, learning about waste management, organic farming, and renewable energy systems. The initiative highlighted how technology and teamwork can come together to create meaningful environmental impact.
