QUARTER - III

JANUARY-MARCH

Rotaract District 3192

UNITE FOR GOOD

Rotaract Club of BMS Yelahanka

EDITOR'S NOTE

To Our Rotaract Family,

As we move into another quarter of purposeful service, our collective journey continues to gain momentum. Quarter 2 reflects what happens when ideas meet action—transforming intent into impact across our Yelahanka community.

Each initiative this season carried the spirit of Service Above Self, powered by teamwork, empathy, and dedication. From meaningful outreach to moments of fellowship, every effort strengthened our bond and amplified our reach.

Within these pages, you'll find the stories, faces, and projects that shaped this quarter—milestones that inspire us to aim higher and serve better in the days ahead.

We extend our heartfelt thanks to our Rotarian sponsors, faculty advisors, and the community for their constant support. Together, we continue to scale our efforts and lead with heart and hands.

Yours in Rotaraction,

Rtr. Keerti Bhat & Rtr. Makarla Ranvitha
Editorial Directors Team

UNITE FOR GOOD

Rotaract Club of BMS Yelahanka

WORD FROM ZRR IPP RTR. SUNAAD C. GOWDA

Rotaract Club of BMS Yelahanka has always been a club very close to my heart.

From being a club I barely knew in the beginning to becoming a club where members would call me before even calling their President to invite me for events, the journey has been nothing short of special. The bond, the stories, the adventures, and the countless memories I've shared with BMSY are things I will cherish forever.

The way Rtr. Saanvi carried forward the legacy of the club has been truly inspiring, and I am confident that Rtr. Deona will continue that legacy with the same passion, dedication, and zeal. Over the years, the club has undertaken numerous impactful and inspiring projects that truly embody the spirit of Rotaract, with every member contributing towards a greater cause.

I remember telling them during their installation that I would always be just a phone call away. Safe to say, they made very good use of that offer 😂. Whether it was for guidance, support, random discussions, or simply a conversation, those calls became a part of this beautiful journey.

I've genuinely enjoyed my tenure as ZRR for this club, and the way its members welcomed me, trusted me, and built a bond with me is something I will always be grateful for. To the President, her board, and every single member—thank you for making this journey so memorable.

As I sign off, I leave with a heart full of gratitude and countless memories.

And as always, there's only one thing left to say—

GO FOR SUNAAD!l

Love you all.

Signing off,
ZRR IPP Rtr. Sunaad C. Gowda

Rotaract Club of BMS Yelahanka

WORD FROM ZRR IPP RTR. YASHWANTH GOWDA S A

Rotaract Club of BMS Yelahanka has always been a club that stands out for its enthusiasm, dedication, and commitment to service.

Watching the club grow and create meaningful impact through its projects and initiatives has been truly inspiring. Every year, the members bring fresh ideas, unmatched energy, and a strong sense of purpose that reflects the true spirit of Rotaract.

Rtr. Yashwanth has played an important role in this journey, leading with passion, responsibility, and determination. His efforts, along with those of the entire team, have contributed significantly to the club's growth and success. The way he has guided the club, encouraged teamwork, and fostered a positive environment is something that deserves immense appreciation.

What makes BMSY special is not just the projects it undertakes, but the people who come together to create lasting memories, meaningful friendships, and positive change in the community. The dedication of every member has always been the club's greatest strength.

As one chapter comes to an end and another begins, I am confident that the club will continue to achieve greater milestones and uphold the legacy it has built over the years. Wishing Rtr. Yashwanth and the entire Rotaract Club of BMS Yelahanka all the very best for the future. May the club continue to inspire, serve, and create an impact wherever it goes.

JANUARY

Rotaract District 3192

UNITE FOR GOOD

Rotaract Club of BMS Yelahanka

Tree Geo-Tagging Initiative

Demonstrating a commitment to environmental sustainability, the Tree Geo-Tagging Initiative was conducted on 11th January 2026 in collaboration with Green Circle at the People's Trust Rural Development Project campus. A dedicated team of 25 volunteers worked alongside environmental experts to digitally map and QR-tag nearly 170 trees using mobile-based geo-tagging tools. Through this hands-on activity, participants gained practical exposure to biodiversity documentation and technology-driven conservation practices.

Beyond the technical aspects, the initiative helped volunteers understand the importance of community-led environmental stewardship and sustainable resource management. With all resources and guidance provided by the collaborating organization, the project achieved meaningful ecological impact without any financial expenditure.

Rotaract District 3192

UNITE FOR GOOD

Rotaract Club of BMS Yelahanka

Republic Day Book Donation Initiative

Marking Republic Day with a meaningful act of service, the club organized a book donation drive on 26th January 2026 that connected community generosity with educational support. Collection efforts were coordinated at Basaveshwar Nagar, while the donated books were distributed to students at Netaji High School. Through contributions from students and local residents, more than 800 books were gathered and made available to young learners.

Around 15 volunteers actively participated in sorting, organizing, and distributing the books, ensuring that the resources reached deserving beneficiaries. The initiative highlighted the power of collective action in improving access to education while requiring no monetary expenditure, as all materials were contributed through donations.

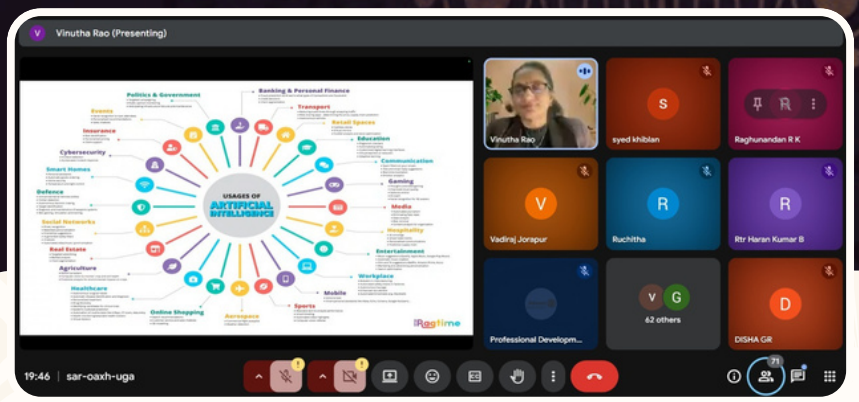
Distributed Systems Technical Session



Bringing together technology enthusiasts from multiple institutions, the Distributed Systems Technical Session was conducted online on 3rd January 2026 via Google Meet in collaboration with several Rotaract clubs. The session attracted 80+ participants and focused on key concepts such as data replication, consistency models, and real-world engineering trade-offs, supported by practical industry examples.

The discussion enhanced participants' technical understanding and analytical thinking while promoting knowledge sharing across clubs. As an online initiative, the session was conducted successfully without any financial expenditure.

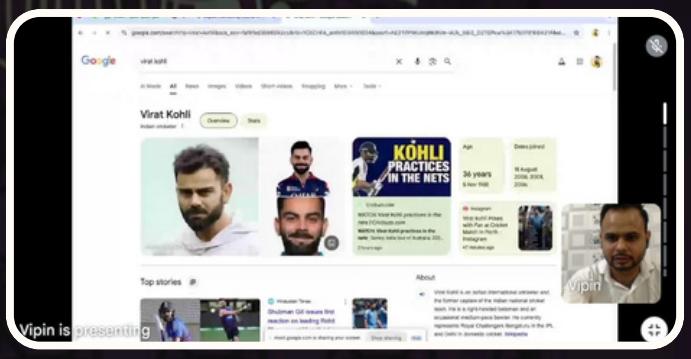
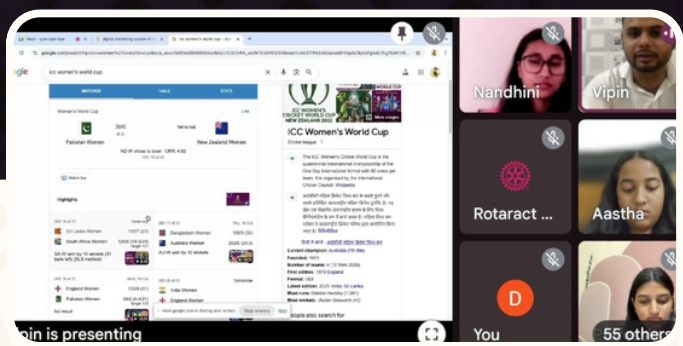
UNITE FOR GOOD

Rotaract Club of BMS Yelahanka

Personal Finance & Fiscal Prudence Session





Promoting financial literacy among young professionals, the Personal Finance & Fiscal Prudence Session was conducted on 28th January 2026 via Google Meet in collaboration with Rotaract Bangalore West and other partnering clubs. The session engaged around 60 participants and covered essential topics such as budgeting, saving, emergency funds, and long-term financial planning.

Through practical examples and interactive discussions, attendees gained valuable insights into responsible money management and financial decision-making. The online initiative was conducted successfully without any financial expenditure.

AI in Defence & Aerospace Pre-Summit

Providing a unique opportunity for industry exposure, the AI in Defence & Aerospace Pre-Summit was attended by members of the club on 23rd January 2026 at the BEL Academy for Excellence (Nalanda). Organized by Globals ITES Pvt. Ltd. and Bharat Electronics Limited (BEL) under the aegis of MeitY, the program offered participants valuable insights into emerging technologies shaping the future of defence and aerospace sectors.

The club secured 8 participant registrations under the limited institutional slots available, enabling members to interact with experts and learn about the applications of Artificial Intelligence in national security, surveillance systems, aerospace operations, and strategic decision-making. The initiative served as a high-value learning experience while involving no financial expenditure from the club.

President–Secretary Leadership Meet

Strengthening leadership and inter-club collaboration, the President–Secretary Leadership Meet was held on 11th January 2026 under the guidance of Rotaract District 3192 at the Rotary Club of Bangalore Udyog. The gathering brought together more than 120 club leaders, including presidents, secretaries, vice presidents, and joint secretaries from across the district.

The meeting provided a platform to review quarterly achievements, exchange best practices, and discuss strategies for enhancing club performance and district engagement. A proud moment for the club was receiving Gold Recognition for Quarter 2 along with additional recognitions for project excellence, reflecting the dedication and impact of its members. Since the event was hosted at the district level, no expenditure was incurred by the club.

ROTACAMP 2026

Creating an unforgettable blend of leadership, fellowship, and adventure, ROTACAMP 2026 was successfully conducted from 27th February to 1st March 2026 as a flagship initiative of Rotaract District 3192. The camp brought together 118 Rotaractors, with our club proudly serving as the Host Club and recording the highest participation of 48 members.

As hosts, members actively contributed to planning, coordination, logistics, and on-ground execution, ensuring the smooth conduct of the event. The camp featured activities such as trekking, ziplining, water sports, treasure hunts, capture the flag, Zumba sessions, and a visit to Abbey Falls. Beyond adventure and recreation, ROTACAMP strengthened teamwork, leadership, and networking, making it a memorable district-level experience.

ROTASIA 2026

Representing the club on an international platform, two members of RAC BMS Yelahanka participated in ROTASIA Chennai 2026, held from 5th to 8th February 2026 at Esthell Village Resort, Mahabalipuram. Recognized as the largest Rotaract celebration in South Asia, the event brought together Rotaractors from multiple countries for a vibrant exchange of ideas, cultures, and experiences.

Through leadership sessions, networking opportunities, competitions, and fellowship activities, participants gained valuable exposure to global Rotaract practices and perspectives. Their presence not only strengthened international connections but also enhanced the visibility of the club and Rotaract District 3192 on a broader stage.

UNITE FOR GOOD

Rotaract Club of BMS Yelahanka

Orbit and Art
(Joint Project with RCB)

Combining education with creativity, Orbit and Art was conducted on 6th March 2026 in collaboration with RCB to provide government school students with an enriching learning experience. The initiative brought together 80+ students from Chikkabale Prashanthi for a day of exploration, creativity, and discovery.

A key highlight of the program was the visit to the Jawaharlal Nehru Planetarium, where students explored concepts related to space and astronomy through interactive exhibits and presentations. By blending artistic expression with scientific learning, the initiative sparked curiosity, broadened perspectives, and created memorable experiences for the participants.

UNITE FOR GOOD

Rotaract Club of BMS Yelahanka

Project Vriddhi (with IEEE COMSOC)

Addressing real-world challenges through community engagement, Project Vriddhi was conducted during March 2026 in collaboration with IEEE ComSoc BMSIT&M at Chikkannasohalli. The initiative focused on understanding and addressing issues related to agriculture, healthcare, and community development through direct interaction with local residents and field-based surveys.

By engaging with farmers, women, and youth, volunteers gathered valuable insights into existing challenges while creating awareness about improved farming practices, healthcare accessibility, and opportunities for empowerment. The project aimed to promote sustainable development and enhance quality of life by fostering knowledge sharing and community participation.

SHEro – Run for a Cause (Women's Day Marathon)

In celebration of International Women's Day, SHEro – Run for a Cause was organized on 8th March 2026 as a 5-kilometre marathon promoting menstrual hygiene awareness and sustainability. Conducted in collaboration with the Melton Foundation and Mitu Foundation, the event witnessed enthusiastic participation from 250+ individuals committed to creating social impact.

The marathon served as both an awareness campaign and a fundraiser, successfully raising ₹15,000 to support underprivileged women and government school girls. Through community participation and advocacy, the initiative emphasized the importance of menstrual health, dignity, and access to essential resources.

Rotaract District 3192

UNITE FOR GOOD

Rotaract Club of BMS Yelahanka

Old Age Home Visit – Circle of Smiles (Ugadi Celebration)

As part of the Ugadi celebrations during March 2026, members visited Sri Sai Prashanthi Old Age Home under the Circle of Smiles initiative. The visit focused on fostering meaningful interactions and creating joyful moments for the residents through companionship and shared experiences. The celebration included activities such as singing, dancing, storytelling, games, and handprint art sessions. These engagements brought smiles to the residents and helped build genuine emotional connections, making the occasion memorable and fulfilling for both members and the elderly.

Rotaract District 3192

UNITE FOR GOOD

Rotaract Club of BMS Yelahanka

Shubhaarambh – Rangoli Utsav

Held during March 2026, Shubhaarambh – Rangoli Utsav added color and creativity to the club calendar by encouraging members to showcase their artistic talents while embracing traditional values. The event provided a vibrant platform for participants to express their creativity through intricate rangoli designs inspired by culture, heritage, and festive themes.

Beyond the artistic competition, the initiative fostered enthusiasm, participation, and camaraderie among members. The event successfully celebrated the spirit of tradition while creating an engaging and enjoyable environment that strengthened cultural appreciation within the club.

Rotaract District 3192

UNITE FOR GOOD

Rotaract Club of BMS Yelahanka

Club Outing

Organized during March 2026, the Club Outing brought members together in a relaxed setting designed to strengthen interpersonal connections and promote fellowship. The outing provided an informal environment where members could interact freely, build friendships, and create lasting memories beyond regular club activities.

Through recreational activities, group interactions, and shared experiences, participants had the opportunity to relax and engage with one another in a refreshing atmosphere. The initiative played an important role in enhancing team spirit and fostering stronger bonds within the club community.

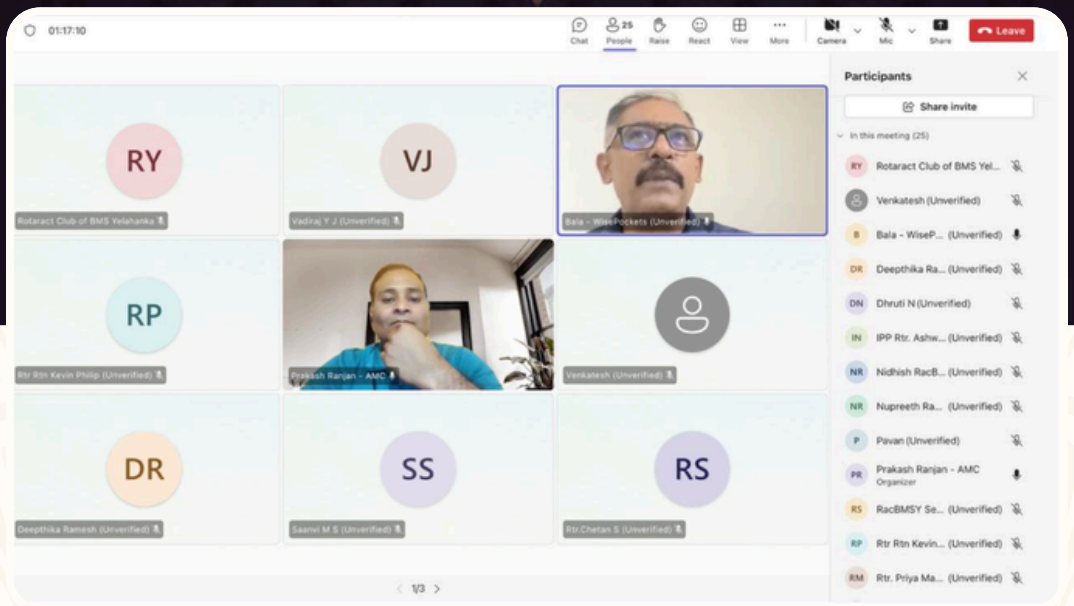
UNITE FOR GOOD

Rotaract Club of BMS Yelahanka

SMART INVESTMENTS: A Youth's Guide to Growing Wealth



Conducted during March 2026, SMART INVESTMENTS: A Youth's Guide to Growing Wealth served as a professional development initiative focused on improving financial awareness among young adults. The session equipped participants with practical knowledge about financial planning, investment strategies, and wealth creation.

Through discussions on mutual funds, long-term investing, risk management, and disciplined financial habits, attendees gained valuable insights into building financial security at an early stage. The session encouraged informed decision-making and empowered participants to take a proactive approach toward managing their financial future.

UNITE FOR GOOD

Rotaract Club of BMS Yelahanka

Luminous (Joint Project with RCB)

During March 2026, Luminous was organized as a collaborative fundraiser initiative in partnership with RCB, driven by the goal of creating meaningful community impact. The project focused on bringing together members, supporters, and stakeholders to contribute towards a larger social cause through collective effort and engagement.

The initiative not only helped mobilize resources but also strengthened teamwork and community participation among members. Through active involvement and collaborative planning, Luminous successfully demonstrated how united efforts can contribute toward sustainable community development and positive social change.

DRISHYA - DOV
(District Official Visit)

Conducted during March 2026, the District Official Visit was presented under the theme “Drishya,” transforming a routine review into an immersive storytelling experience. Inspired by a Netflix-style web series, the club creatively showcased its projects, achievements, milestones, and impact as a sequence of meaningful episodes reflecting different chapters of its journey. Every aspect of the visit was thoughtfully curated, from detailed reports and presentations to a visually engaging notice board adorned with polaroids capturing projects, memories, and member experiences. A memorable highlight of the evening was the announcement of Rtr. Deona as the President-Elect, symbolizing continuity, leadership, and the club’s vision for the future.

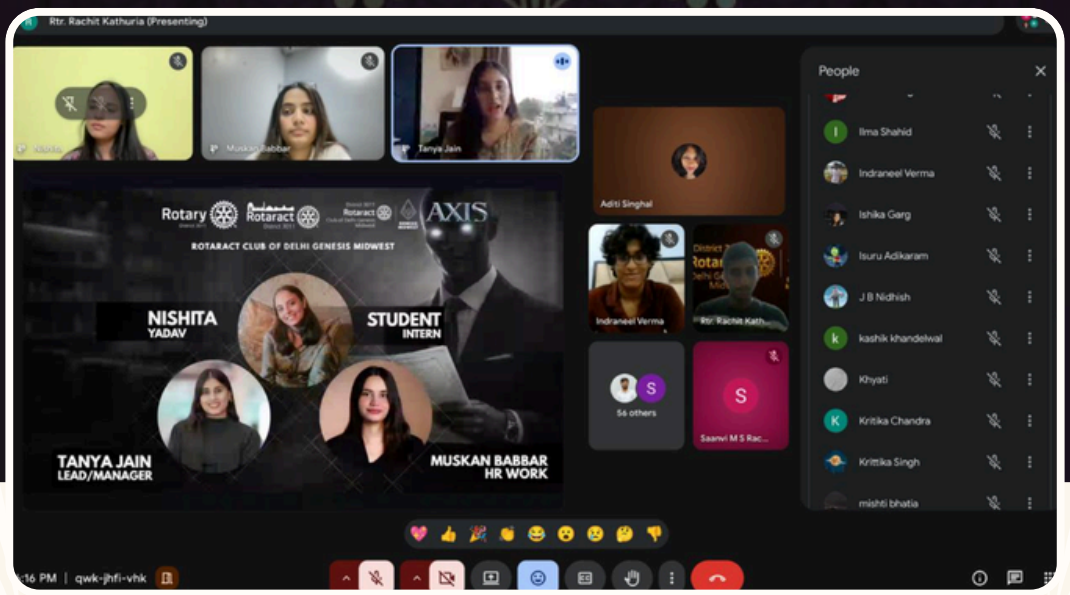
UNITE FOR GOOD

Rotaract Club of BMS Yelahanka

Online Collaboration with Delhi (AXIS: Hiring Perspectives)



As part of the club's professional development initiatives during March 2026, AXIS: Hiring Perspectives was conducted as an online collaborative session with a Rotaract club based in Delhi. The panel discussion brought together experienced professionals who shared valuable insights into recruitment processes, resume screening, and interview evaluation techniques commonly followed by organizations.

Participants gained a clearer understanding of employer expectations, effective resume-building practices, and strategies to confidently navigate interviews. By offering practical advice and real-world perspectives, the session enhanced career readiness and equipped attendees with tools to strengthen their professional profiles and improve employability.

Geo Tagging Felicitation

Held during March 2026, the Geo Tagging Felicitation recognized and celebrated the contributions of volunteers who played a vital role in the club's environmental sustainability efforts. The event acknowledged the dedication of 90+ volunteers who collectively contributed 540 volunteering hours over a period of more than four months. The initiative culminated in the successful geo-tagging of 1,000 trees, creating a valuable digital record that supports ecological monitoring and awareness. The felicitation served as a platform to appreciate volunteer commitment and reinforce the importance of long-term environmental responsibility.
